

CT26-hFAP

Strain Information

SMOC番号 NMC-230018

Cell Line CT26-Tg(hFAP)Smoc

維持形態 Validation of target gene expression completed

説明 FAP gene humanized CT26 cell line

*Literature published using this strain should indicate: CT26-hFAP cell line (Cat. NO. NMC-230018) was purchased from Shanghai Model Organisms Center, Inc..
