

Aars-Flox

系統名	C57BL/6Smoc- <i>Aars</i> ^{em1(flox)Smoc}
SMOC番号	NM-CKO-226339
維持形態	Sperm cryopreservation

遺伝子の概要

Gene Symbol Aars	Synonyms	sti; C76919; AI316495
	NCBI ID	234734
	MGI ID	2384560
	Ensembl ID	ENSMUSG00000031960
	Human Ortholog	AARS

説明

These mice carry loxP sites flanking exon 3-4 of *Aars* gene. When crossed with a Cre recombinase-expressing strain, this strain is useful in eliminating tissue-specific conditional expression of *Aars* gene.

*Literature published using this strain should indicate: Aars-Flox mice (Cat. NO. NM-CKO-226339) were purchased from Shanghai Model Organisms Center, Inc..
