

MC38-hMELTF

Strain Information

SMOC番号 NMC-230055

Cell Line MC38-hMELTF

維持形態 Validation of target gene expression completed

説明 MELTF gene humanized MC38 cell line

*Literature published using this strain should indicate: MC38-hMELTF cell line (Cat. NO. NMC-230055) was purchased from Shanghai Model Organisms Center, Inc..
