

# CT26-hMELTF

## Strain Information

SMOC番号 NMC-230075

Cell Line CT26-hMELTF

維持形態 Validation of target gene expression completed

説明 MELTF gene humanized CT26 cell line

\*Literature published using this strain should indicate: CT26-hMELTF cell line (Cat. NO. NMC-230075) was purchased from Shanghai Model Organisms Center, Inc..
