

MC38-hCD47-hCLDN18.2-hEGFR

Strain Information

SMOC番号 NM-S13-TM73

Cell Line

維持形態 Validation of tumorigenic capacity completed

説明 The MC38-hCD47/hCLDN18.2/hEGFR cell line is the MC38 colon cancer tumor cell line expressing human CD47, human CLAUDIN18.2 gene and human EGFR gene.

*Literature published using this strain should indicate: MC38-hCD47-hCLDN18.2-hEGFR cell line (Cat. NO. NM-S13-TM73) was purchased from Shanghai Model Organisms Center, Inc..
