

# HS 746T

## Strain Information

SMOC番号 NM-W09

Cell Line HS 746T

維持形態 Validation of tumorigenic capacity

説明 human gastric cancer cell line

\*Literature published using this strain should indicate: HS 746T cell line (Cat. NO. NM-W09) was purchased from Shanghai Model Organisms Center, Inc..

## 表現型データ

**\*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.**
