

# MOPC-315

## Strain Information

SMOC番号	NM-S41A
Cell Line	MOPC-315
維持形態	Validation of tumorigenic capacity
説明	mouse B lymphoblastoma cell line

\*Literature published using this strain should indicate: MOPC-315 cell line (Cat. NO. NM-S41A) was purchased from Shanghai Model Organisms Center, Inc..

## 表現型データ

\*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
