

Duoxa1-Flox

系統名	C57BL/6Smoc- <i>Duoxa1</i> ^{em1(flox)Smoc}
SMOC番号	TBD
維持形態	Developing

遺伝子の概要

Gene Symbol Duoxa1	Synonyms	Nip, Nip1, BC019755
	NCBI ID	213696
	MGI ID	2384861
	Ensembl ID	ENSMUSG00000027224
	Human Ortholog	DUOXA1

説明

These mice carry loxP sites flanking target exons of Duoxa1 gene. When crossed with a Cre recombinase-expressing strain, this strain is useful in eliminating tissue-specific conditional expression of Duoxa1 gene.

*Literature published using this strain should indicate: Duoxa1-Flox mice (Cat. NO. TBD) were purchased from Shanghai Model Organisms Center, Inc..
