

SNU-1

Strain Information

SMOC番号 NM-W04

Cell Line SNU-1

維持形態 Validation of tumorigenic capacity completed

説明 Human stomach carcinoma cell line

*Literature published using this strain should indicate: SNU-1 cell line (Cat. NO. NM-W04) was purchased from Shanghai Model Organisms Center, Inc..

表現型データ

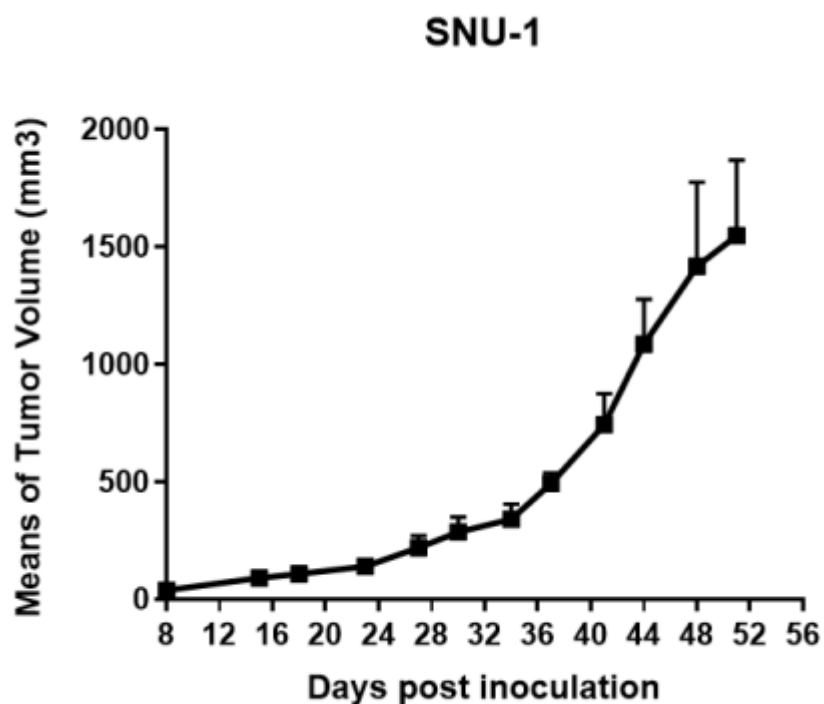

Figure 1. Tumor growth curve of SNU-1 xenograft model (n=4)

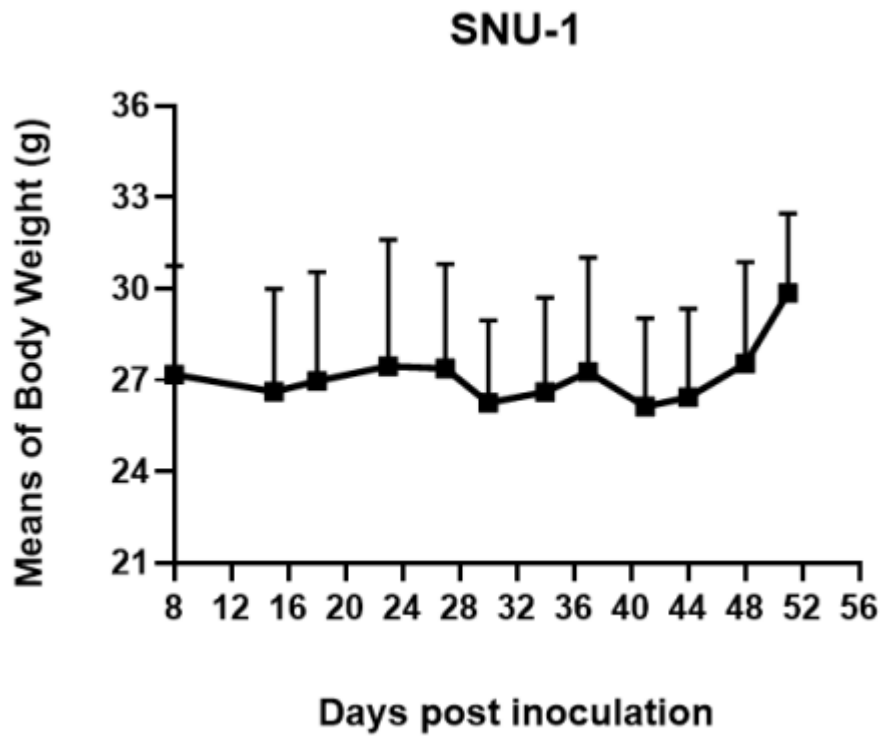

Figure 2. Body weight change of SNU-1 xenograft model (n=4)

*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
