

# HO-8910PM

## Strain Information

SMOC番号	NM-RC01
Cell Line	HO-8910PM
維持形態	Validation of tumorigenic capacity
説明	Human ovarian epithelial carcinoma cell line
	*Literature published using this strain should indicate: HO-8910PM cell line (Cat. NO. NM-RC01) was purchased from Shanghai Model Organisms Center, Inc..

## 表現型データ

\*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
