

# THP-1

## Strain Information

SMOC番号 NM-B06

Cell Line THP-1

維持形態 Validation of tumorigenic capacity completed

説明 Human monocyte lymphoma cell line

\*Literature published using this strain should indicate: THP-1 cell line (Cat. NO. NM-B06) was purchased from Shanghai Model Organisms Center, Inc..

## 表現型データ

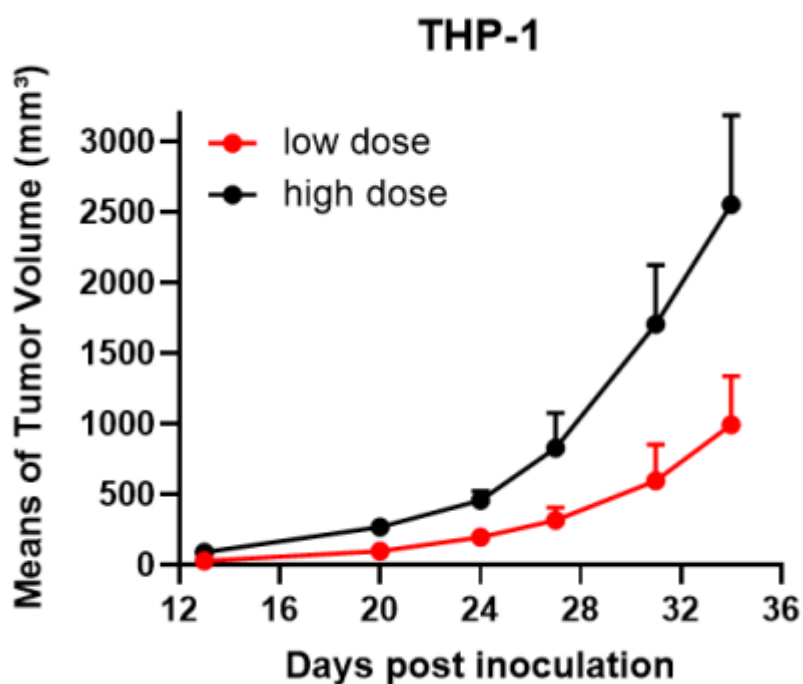

Figure 2. Tumor growth curve of THP-1 xenograft model (n=4)

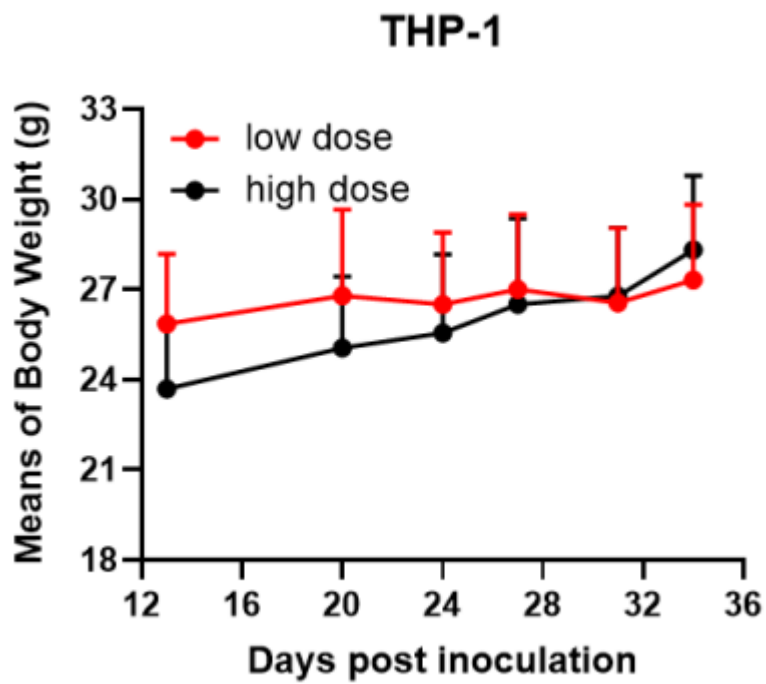

Figure 3. Body weight change of THP-1 xenograft model (n=4)

\*Wildtype cell lines are not for sale, and only applied to construction of tumor bearing mice and i n-vivo efficacy studies.
