

Daudi

Strain Information

SMOC番号 NM-B08

Cell Line Daudi

維持形態 Validation of tumorigenic capacity completed

説明 Human Burkitt's lymphoma cells

*Literature published using this strain should indicate: Daudi cell line (Cat. NO. NM-B08) was purchased from Shanghai Model Organisms Center, Inc..

表現型データ

Figure1. Tumor growth curve of Daudi xenograft model (n=6)

Figure2. Body weight change of Daudi xenograft model (n=6)

*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
