

# LoVo

## Strain Information

SMOC番号 NM-J06

Cell Line LoVo

維持形態 Validation of tumorigenic capacity completed

説明 Human colon adenocarcinoma cell line

\*Literature published using this strain should indicate: LoVo cell line (Cat. NO. NM-J06) was purchased from Shanghai Model Organisms Center, Inc..

## 表現型データ

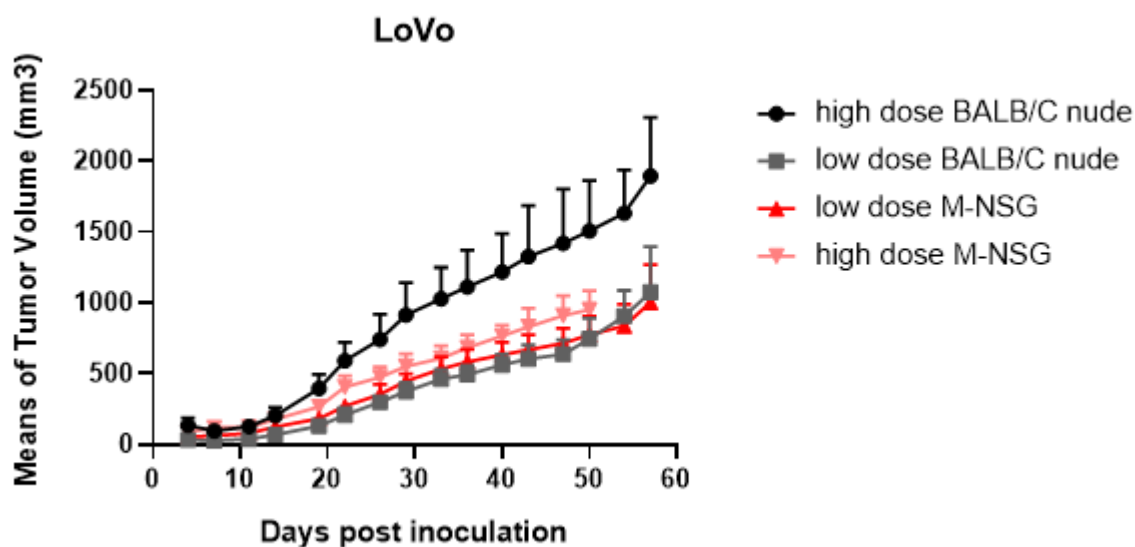

Fig1. Tumor growth curve of LoVo xenograft model (n=5)

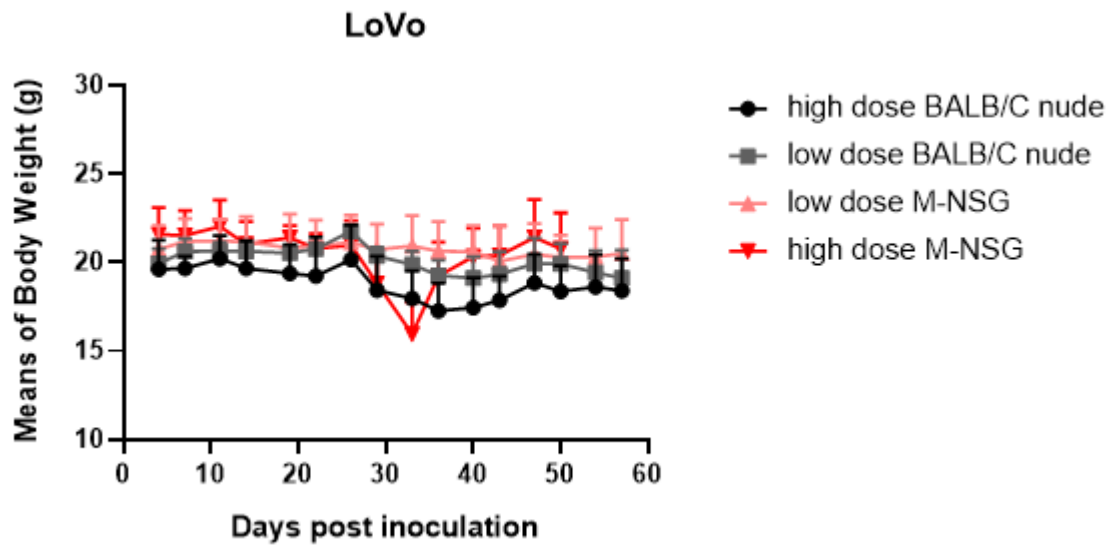

Fig2. Body weight change of LoVo xenograft model (n=5)

\*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
