

# MM.1S

## Strain Information

SMOC番号 NM-GS01

Cell Line MM.1S

維持形態 Validation of tumorigenic capacity

説明 Human Lambda myeloma cell line

\*Literature published using this strain should indicate: MM.1S cell line (Cat. NO. NM-GS01) was purchased from Shanghai Model Organisms Center, Inc..

## 表現型データ

\*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
