

RPMI 8226

Strain Information

| | |
|-----------|------------------------------------|
| SMOC番号 | NM-GS02 |
| Cell Line | RPMI 8226 |
| 維持形態 | Validation of tumorigenic capacity |
| 説明 | Human myeloma cell line |

*Literature published using this strain should indicate: RPMI 8226 cell line (Cat. NO. NM-GS02) was purchased from Shanghai Model Organisms Center, Inc..

表現型データ

*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
