

NCI-H929 [H929]

Strain Information

SMOC番号	NM-GS03
Cell Line	NCI-H929 [H929]
維持形態	Validation of tumorigenic capacity
説明	Human myeloma cell line
	*Literature published using this strain should indicate: NCI-H929 [H929] cell line (Cat. NO. NM-GS03) was purchased from Shanghai Model Organisms Center, Inc..

表現型データ

*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
